The National Pool Lifeguard Crash Course 21st to 26th July 2008: Cost £225.00

Whatever the size or layout of the swimming pool there is one thing for sure, pool users expect fully trained lifeguards. They want swimming pools that are safely managed by smartly turned-out, well-trained, qualified lifeguards who will assist and protect them. Whatever your background you need to be good communicator, who enjoys helping other people. To be alert, have good powers of concentration and a sense of humour.

There will be a Swimming Test to get on the Next Course and a Deposit of £100.00 is required if you Pass the Swim Test. The Swim Test Consists of two Timed Swims one a 50m Swim with Shorts and a Tee shirt on in 60sec. The Second a 40m Swim in 45sec. The Balance of £125.00 is due when the Course Starts
